

C/S Acrovyn® Sheet

▲ Wythenshawe Hospital Greater Manchester (UK)

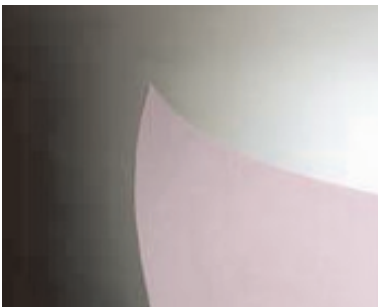

▲ Congress Hall Berlin (Germany)

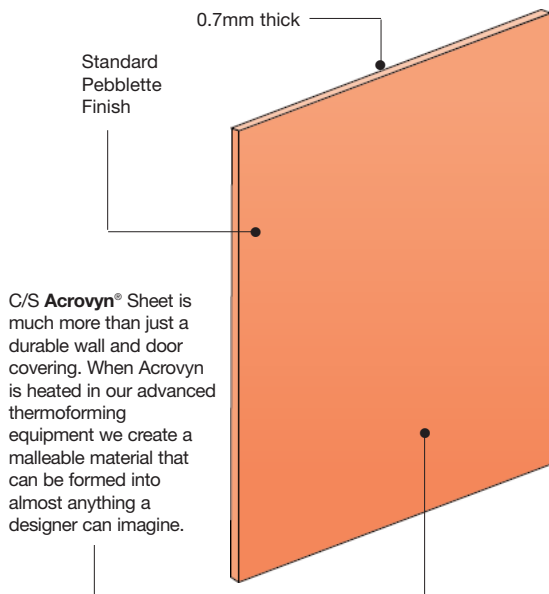

C/S **Acrovyn**® rugged vinyl acrylic sheet absorbs impact that would normally destroy common painted or fabric covered surfaces. Since the sheet's integral colour and impervious surface resists most stains and chemicals, routine cleaning keeps the walls looking new for years.

C/S **Acrovyn**® hygienic sheeting is available in a smooth finish.

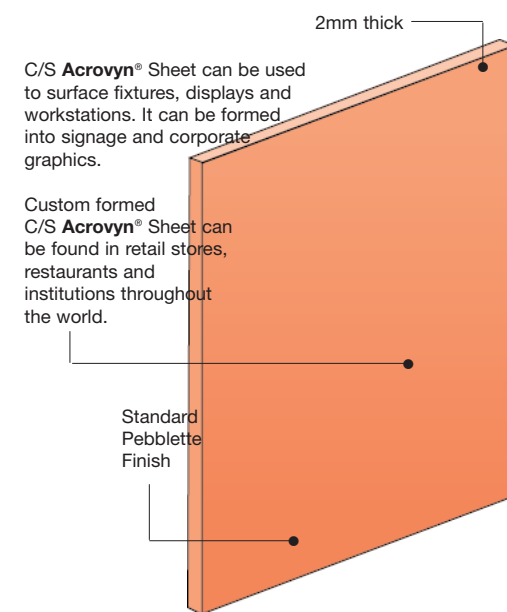

0.7mm Sheet

2mm Sheet

Standard Sheet 2550 x 1350mm

Standard Sheet 2440 x 1220mm
